The Art Of Greg Alexander

Northern Wisconsin artist Greg Alexander lives what he paints. The Ashland area where he lives allows unlimited access to the subjects that inspire Greg's love of the outdoors. Every hike in the woods, fishing outing, or hunting trip inspires another painting. In collaboration with Great Lakes Timber Professionals Association, Greg Alexander has created a one of a kind painting to benefit Log A Load For Kids and the Children's Miracle Network Hospitals in Michigan and Wisconsin.

A Limited Supply of 22" x 30" wood framed, canvas prints, signed and numbered by the artist himself are available for purchase. Proceeds to benefit Log A Load For Kids.
